ADDRESS

Brisee Verdiere, Mauritius

PROFILE

Passionate designer skilled in Adobe Creative Suite, HTML, CSS and JS. Creates user-centered interfaces with creative and functional designs. Designed and developed websites for clients including an ecommerce store for a makeup retailer.

EXPERIENCE

GRAPHIC DESIGNER

2014 - PRESENT

COLORMAX PRINTING

Visualized and designed logos, brochures, display pieces, billboards, signboards and more. Collaborated with colleagues and clients to create designs based on the products and/or services the clients want to promote while maintaining brand consistency. Proofread all materials to ensure they are mistake-free and ready for printing.

WEB & MOBILE DESIGNER

2015 - PRESENT

FREELANCER

Designed and coded multiple responsive websites for multiple clients and some personal projects. More of my work can be found on my portfolio.

- Abdallah Suddun Construction Company Ltd

- Designed Logo and Business Card in Adobe AI and PS.
- Single page responsive website designed in Adobe XD and coded with HTML, CSS and some JS.

- Classy Touch Beauty

- Designed logo, and built ecommerce website using woocommerce using a theme the client liked.

- Colormax Printing

- Currently working on responsive website for Colormax Printing.

- Personal Projects

- Built sample static ecommerce websites using snipcart and Jekyll.
