PROFILE

Imaginative Designer with excellent analytical, research and collaboration skills. Experience working with Adobe Creative Suite and HTML, CSS and JavaScript. Adept at successfully managing and coordinating design projects from concept through completion.

EXPERIENCE

GRAPHIC DESIGNER   2014 - PRESENT
COLORMAX PRINTING

- Created broad range of work including logos, brochures, display pieces, billboards and signboards using various design techniques. Collaborated with colleagues and clients to create designs based on the products and services the clients want to promote while maintaining brand consistency.
- Used Adobe Photoshop and Adobe Illustrator to develop product mockups and prototype designs. Proofread all materials to ensure they are mistake-free and ready for printing. Completed final touches for projects such as images sizes and font selection.

WEB & MOBILE DESIGNER   2015 - PRESENT
FREELANCER

- Created website layout using Adobe XD for wireframing and HTML, CSS for mobile, tablet and desktop layouts.
- Chose domain names, completed registrations and maintained website and web hosting account.
- Promoted brand identity by creating company logos and
- delivering attractive, user-friendly and unique website.
- Strengthened company brand by developing images and content to capture visitor interest.
- Designed images, icons and banners.
- Liaised closely with client during design stage.
- Created visually stunning websites for clients.
- Increased website security by keeping software up to date, using and safeguarding strong passwords and monitoring website for security vulnerabilities.
